

# Recording Wildlife with smartphones and tablets

*Discovering more about one of England's landscapes*

Join the Rother Guardians at Brede High Woods to learn more about digital methods of recording local wildlife.

Rother Guardians are a group of wildlife enthusiasts who survey local wildlife at Brede High Woods. They also help to improve the habitats to encourage the wildlife to flourish; <http://rotherguardians.blogspot.co.uk/>

## To book:

Go to <http://record-wildlife.eventbrite.com/> or contact Matt Pitts E: [m.pitts@highweald.org](mailto:m.pitts@highweald.org) or T: 01580 879500

Brede High Woods  
Cripps Corner  
TN31 6EX Battle  
Meet in the old car park TQ 804 206

**Saturday 1 June 2013**  
from 11:00 am to 13.00 pm  
at Brede High Woods

Spotting wildlife on your land is great fun, recording it is even better. Recording your wildlife informs management and helps our wider understanding of the environment.

Join us in Brede High Woods to discover just how easy it is to record wildlife and submit records using your Smartphone or tablet using apps developed for recording in the field.

### Programme

- 11:00 Arrival and refreshments
- 11:15 Welcome  
Matt Pitts, Woodland Officer, High Weald Joint Advisory Committee [www.highweald.org/woodland-advice](http://www.highweald.org/woodland-advice)
